### Why have we included an Annual Giving section in enrollment?

Tuition does not cover all expenses and Annual Giving exists in independent schools to supplement tuition. We believe that Lycée families would prefer to support their school by making a tax deductible gift rather than paying the full cost of education through tuition. We hope that by facilitating your method of giving, we can improve our levels of participation within the parent community and increase the average size of gifts. We simply ask that you consider the Lycée your primary philanthropic priority and that means giving at a level that is meaningful to you.

### How is my donation applied to my registration fee?

Your registration fee (deposit) will be reduced by the amount of your donation. For example, if you donate \$200 per child:

Tuition:	\$17,400 (K1-5)	\$18,450 (6-9)
Registration fee:	\$1740	\$1845
Annual Giving Donation:	\$200 per child	\$200
Reduced registration fee to account for donation:	\$1540	\$1645
Balance due:	\$15,860	\$16,805
Monthly FACTS Bill:	\$1586	\$1680.50

**Monthly FACTS payment will increase only \$20 for a gift of \$200.**

**To what is my donation applied?**

Your gift via enrollment will be applied to the **2010-2011** Annual Giving Campaign. This money impacts all levels of our childrens' school experience including faculty development, supplies, field trips, library, art and scholarships.

**I have already made my gift this year, why should I give again?**

Thank you for your gift which was applied to the **2009-2010** Annual Giving Campaign. Your gift made through the enrollment packet will be applied to the **2010-2011** Annual Giving Campaign.

**Traditionally, I give more than \$200 per year; will you need my larger gift?**

**Yes**, we need your greatest possible gift. This suggested amount is to help families who haven't given in the past and to help simplify giving. Please make a gift or consider joining our Ambassador Club, with a leadership gift of \$100 or more per month.
