

Thank you for supporting the Lycée Français La Pérouse
with a purchase of a tile to be installed
on the Ortega Campus.

Ask for 12"x12" sheet of paper for artwork from the Development Office if you don't have your own. The artwork must fit within a 11.5x11.5" frame to ensure proper production. Return it to the Development Office at 755 Ashbury Street, San Francisco, CA 94117 or send a .jpg or .pdf file with a minimum 300 dpi to nhautavoine@lelycee.org. You can first pencil your design, signature or characters; then final mark using a black Stanford fine point permanent marker. Please erase all pencil marks when completed.
