

## STUDENTS ACCIDENT INSURANCE

### What kind of insurance?

The Lycée Français has purchased Student Accident Insurance Coverage, which covers your child for an accidental injury sustained while he/she is under the care and direction of the school. It is a supplementary student accident insurance. This means that:

- your insurance pays first.
- the School's insurance (A.I.G.) will complement customary expenses up to a maximum dollar amount as stated in the policy. Detailed brochures are available at the Business Office.

### When are the students covered?

- While on the school premises during the hours and days when classes are in session and while participating in or attending any school activity, including athletics, sponsored by and/or under the direct and immediate supervision of the school;
- While away from the school premises if participating in a school-sponsored, directly supervised activity, including all athletics and fieldtrips and camps;
- While commuting directly and without interruption to or from their home and school for regular school-day sessions;
- While traveling to or from any activity, including athletics events, in a school-authorized vehicle.

### What are the claim procedures?

Treatment of injury: Initial treatment must be within 90 days of the date of injury.

Filing a claim: Claim forms may be obtained from the School
