

International Volunteering

Become a volunteer :

« Commit to the protection of the oceans by joining a team of passionate people, in a friendly and positive spirit ».

- Act with a local team, within an international association
- Participate in events and concrete actions
- Deploy your skills and/or acquire new ones
- Access to trainings
- Be kept informed of all international news
- Propose new ideas and initiate new projects

ACT

International Volunteer Missions.

How would you like to act with us ?

From time to time, on a regular basis ?

- ● ● Reporter : images, videos, highlighting local initiatives etc.
- ● ● Contact/bring the association to the local partners.
- ● ● Integrate new volunteers (through on-site training for local volunteers).
- ● ● Participate in local actions/events such as : waste collection, fairs etc.
 - ● Create local partnerships ; create a local network.
 - ● Make the link with local TSC patrons who are already partners.
 - ● Look for new patrons and/or new philanthropists.
 - ● Organize and/or participate in conferences, official meetings.
 - ● Organize punctual actions such as : waste collection, awareness-raising actions...
 - Make the link with French institutions in your country (embassy, French alliance, professional network...).
 - Take stock of the state of volunteerism in your country.
 - Promote and/or create circular economy/waste reprocessing circuits.
 - Create a network of local volunteers and ensure its follow-up ; make the link with « visiting » volunteers, support their actions or integrate them into ongoing actions.
 - Assist in the translation of the website, communication supports and visuals.
 - Organize exhibitions, events : stand, animation, conference etc.

**If you have proposals, we remain at your disposal.
All ideas are welcome !**
