## Asian Cuisine

Join our cooking chef in this appetizing class, where we'll venture into the world of sushi, spring rolls, miso soups, and many other culinary specialties we deem feasible! Asia is famous for its variety of foods... Vietnamese, Japanese, Thai...we'll cover some delicious and popular dishes! Yum.

## Music and Arts

Asian countries display a wide array of musical instruments, rhythms, and types of dances, as well as many different processes to create art. Come and discover where these instruments originated. We'll experiment and play with them, learn about their history and listen to music, and dance! In the same class we'll create an artistic project related to Asian art and culture.

## Martial Arts

Samurais, Ninjas, Karate, Bujutsu, Taekwondo, Jiu-Jitsu, Judo, Muay Thai, T'ai Chi Ch'uan, Aikido, Sumo, Ninjutsu, Hapkido....Ouf!! There are so many types of martial arts and characters who have come from Asia that it's almost impossible to keep track! You name it, and it's there! In our camp Asia, students will be able to watch and perform together with sword-handling Samurais and other Martial Arts masters, as we invite them to our Ortega campus.

## Racket Sports

Are you a fan of Table Tennis? Badminton? Physical activity and sports in general? I thought so! Let's improve your skills and have fun in those popular racket sports in that part of the world...
